Hand carved intricate leaf and floral designs with brass décor on top. This highly decorative, functional piece of furniture can fold away to create space. Size in inches: H 22" x W 18" x D 26.5" Origin: India Material: Wood Completely solid in structure and form, naturally aged over the years with relevant wear and tear including a cosmetic crack to one corner of the top section as shown (this does not affect the form of structure in anyway). We sell antique objects that have stood the test of time, in overall presentable condition, please take this into consideration when purchasing. Its exceedingly difficult to photograph all the areas, therefore we strongly suggest reviewing all the photos provided as part of this advert and proposing questions where sections are unclear or not seen to avoid disappointment.
