Edwardian silver Sampson Mordan chick pin cushion

Price

Sold**Item Reference: SA954203****Date of manufacture: Edwardian**

Description

A lovely Edwardian silver pin cushion in the form of a fledged chick, by Sampson Mordan. This version of the fledged chick is more unusual than the hatching chick version. This is in super condition, good clear marks to the base for Chester 1906 and clear makers mark. The velvet pad is original, worn, but I would rather see this than a new replacement.
