## Description

A fine set of late 19th Century Kings pattern silver teaspoons. These lovely examples are double struck (pattern front and back) and have an engraved initial 'M' to the top of the shank. Flatware is rather scarce nowadays due to the great losses, caused by the unscrupulous melting of antique silver for scrap. Therefore a matching set of six, in a sought after pattern is a good find. Dimensions below. Postage and packing £8.00 UK £16.00 Europe £24.00 Outside Europe Condition :- Excellent, with no splits or dents. The bowl tips are good. Hallmarks :- Clear, readable and matching. Date :- London 1893. Maker :- Robert Stebbings. Length :- 15.5 cms. Bowl width :- 3 cms. (widest point).
