Description

A stunning pair of Art Deco period bedside cabinets. These are beautifully made from figured walnut, they date from the 1920-30's period. They were taken from either side of a dressing table originally, they have been professionally restored and French polished. On one side of each cabinet are extremely faint marks where the central piece would have attached them. They are hardly noticeable and would be placed on the inside facing the bed, so would not be visible at all. These have a stunning geometrical design with lovely stepped feet. The original handles are a beautiful feature, made from Bakelite and brass. Width - 14 inches , 35 cm Depth - 19 inches , 49 cm Height - 27 inches , 67 cm
