Description

Very elegant but also very comfortable pair of Edwardian mahogany tub armchairs on original castors, circa 1900. These are lovely chairs and with them being tub shape, they can free stand in a living room and ideal for additional seating. Good solid frames and well carved, the current vintage upholstery is in good condition too, not marked or damaged and works well with the mahogany frames. There are some age marks to the frames, though nothing of any concern. Priced as a pair and exceptional value!
