Description

Antique large quality Chinese brass bronze Champleve enamel vase C1920. Four sided rhomboidal form. Would look amazing in the right location. Rare large size and design. Overall maximum dimensions: 31cmH x 26cm x 20cm. Weighs 2.6Kg. In good antique condition, with minor historic knocks, marks and repairs as is typical, nothing bad. Some minor pitting / losses to the enamel, which again is typical, possibly from when it was made. Probably not watertight, so should be used with a liner. Stock No. 8068. 30-day no-quibble money-back guarantee. Competitive UK and overseas door to door shipping.
