Description

19th century folk-art hand-crafted bedpost doll figure A rare and highly artistic example of an English 19th century folk art bedpost doll figure. With hand carved detail including bun twisted hair, and with her tongue pointing out. With rope twisted arms, this example is both rare in form and highly artistic in our humble opinion. Size in inches: H 15" x W 6" x D 4" Origin: England Material: Wood Completely solid in structure and form, naturally aged over the years with relevant wear and tear including loss of surface painted detail. This item does not stand on its own. We sell antique objects that have stood the test of time, in overall presentable condition, please take this into consideration when purchasing. Its exceedingly difficult to photograph all the areas, therefore we strongly suggest reviewing all the photos provided as part of this advert and proposing questions where sections are unclear or not seen to avoid disappointment.
