## Description

Nice set of mid 19th century apothecary weights housed in their original block stand, c1860. The block contains 11 weights, the largest weighing 200g and all are marked A&B which is presumably a makers/foundry mark. Overall condition is good, there is wear to the surface of the 2 smallest weights and an historic split to the wood block - all very minor and in line with age and use. Please refer to the detailed photographs and feel free to contact me if you would like to view the item or have any questions. Price includes FREE UK delivery. Please contact me regarding international shipping. Size: 13.5cm wide x 5.5cm tall x 5cm deep.
