STERLING SILVER HALSEY
FAMILY CRESTED CREST
SUGAR SIFTER SPOON 1835
WILLIAM IV

Price

Sold**Item Reference: SA955253****Date of manufacture: 1800**

Description

A very pretty English William IV antique solid sterling silver sugar sifter spoon. It is hallmarked for London 1835 with the makers marks being WJ. It has been beautifully made having a ornate pierced and gilded bowl and a crested terminal used by the Halsey family. It is in superb condition being free from dings splits and repairs. It measures almost 5 inches (13cms) long by 2 inches (5.1cms) wide and weighs 26 grams. A very nice quality interesting piece.

Internal Ref: 29378
