## Description

A very unusual English solid sterling silver ladle spoon with removeable bowl sieve plate. It has been hallmarked for London 1929 with the makers marks being DF. It has been superbly designed used conventionally without the division and maybe for mint sauce or such like with the division in place. It is in superb condition being free from dings splits distortions and repairs, engraved S to it terminal. It measures approx. 5 inches (12.8cm) long by over 2 inches (5.3cm) wide and weighs 40 grams. A very well designed unusual piece.
