Description

Beautiful pair of French marquetry bow front pier cabinets with brass mounts and original marble tops. Very well proportioned pair of cabinets and they are very decorative with their serpentine or "bombe" shapes, the marquetry and brass mounts. Being that they stand on high legs, they give the cabinets a sense of elegance but also some handy storage with the interiors both having a single fixed shelf. This pair of cabinets can hold a good size lamp or vase, perhaps a pair of mirrors to hang above them. Good quality and good condition, offered as a pair. Measuring: 32 3/4 inches or 83 cm high 29 1/2 inches or 75 cm wide 16 1/2 inches or 42 cm deep
