Description

This is a very attractive heavily detailed 19th century Italian mirror. The deep red colour is all original and makes this a very decorative piece. The mirror plate isn't original but is clean and creates a fabulous piece for any home. Although detailed the frame has a classic look to it which lends itself perfectly to a large number of interiors. We have photographed this orientated the way the original hanger intended but it is possible to hang both portrait or landscape. Height 79cm Width 63cm Price includes UK delivery
