Description

Very elegant and wonderful colouring to this late Georgian early Regency chest of four long graduating drawers, circa 1820 and in good original condition. Great proportions to this chest and the four long drawers simplify the look of the chest rather than a two over three formation. Also the outswept legs are a nice touch too. Graduating drawers all solid oak lined and running smoothly, offering good storage for a small piece of furniture. Measuring: 33 inches or 84 cm high. 34 inches or 86.5 cm wide 18 3/4 inches or 47.5 cm deep
