Description

A superb antique leather armchair, probably made for a child but it is still a good size and can be used comfortably by a very slim adult. It was likely made in England, and dates from around the 1880's period. The quality is amazing, this is very well made with beautiful carving around the solid oak frame, especially the carved lion heads. The condition is excellent for its age, the wood is nicely polished and the brown leather has only some very minor wear. Please check the measurements carefully. It's definitely a Childs Armchair, even though it's a strong, robust piece of furniture. Width – 26 inches , 66 cm Depth – 30 inches , 76 cm Height – 36 inches , 92 cm Seat height – 13 inches , 33 cm
