Sold**Item Reference: SA955916****Date of manufacture: 1910**

Description

Antique Aero pocket watch. The watch has a stem-winding movement which is working nicely. The watch measures 51mm diameter excluding the winding stem and the loop. The case is nickel and it is in lovely condition. Both the bezel and case back are screw fitting, a nice sign of quality. The watch has a nice thick glass lens, there is a little marking but nothing too serious. The signed dial is in lovely condition and has sturdy blued steel hands, a subsidiary seconds dial and outer minute markers. The watch comes in a new presentation box.
