Description

'View Of The State Of Europe During The Middle Ages, In Three Volumes' by Henry Hallam. Published by John Murray, London, 1834. All three volumes are three quarter bound in a navy leather with five raised bands, red leather title panels and gilt stamped decoration to the spine. The boards are bound in a light blue cloth. All volumes show light shelf wear to the extremities but generally remain in a very good clean condition. Internally there is some light browning to the preliminary pages but generally all pages remain clean and bright. An attractive set.
