Description

Fine quality pair of French gilded bronze candelabra or table lights with decorative porcelain panels. Mid 19th century French in good clean condition. They both sit on shaped gilded wooden bases. The main design is a cherub holding up the candle parts. Each candelabra has 3 candle sconces, the middle one has a lift out lid. The gilding on both of them is very good although there is some rubbing to the wooden vases. Nice being a pair. SIZE; 5 1/2" by 5 1/2" by 16" tall CIRCA; 1850 - 1870
