Description

An eighteenth century Dutch walnut torchere, the square top with incurved corners and a moulded edge, on a turned and double fluted stem and a tripod base with scrolled legs and turned paterae. John Beazor Antiques is a family firm, established in 1875 and based in Cambridge since 1940. We are a traditional antiques shop, but very much in the 21st century. We deal in 18th and early 19th century furniture, barometers and clocks. We choose our stock for its originality and for the quality of its colour, patination and design. We are members of the BADA. We do not exhibit at fairs preferring to deal from our Cambridge shop where we hold Open Weekends from time to time.
