Description

A neatly proportioned early 20th century antique golden oak roll top desk. The antique oak roll top desk has a S-shaped roll top that opens to reveal a spacious storage compartment with a pull out writing surface. Below the roll top is an arrangement of four drawers that are automatically locked when the roll top is closed. A rather pleasing example, perfect for small offices and workspaces. Item Ref; M-4463 . DIMENSIONS: Height - 109.5cm / Width - 56cm / Depth - 58cm / Legroom - 59cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks, scratches and stains to the top (pictured), further scratches to the front and writing surface, however very minimal. There is also age-related fading to the right hand side (pictured). The antique oak roll top desk remains structurally solid and sound, with the roll top and drawers running well.
