Description

An excellent original antique Georgian occasional tilt top table in solid mahogany. This was made in England, it dates from around the 1790-1810 period. It has a lovely design and is of excellent quality. The solid mahogany rectangular top sits on a well crafted tripod base. The top flips up and can be stored like that to save space. We have had this recently re-polished, it is in lovely condition for its age. There are various small marks and indentations as would be expected for a 200 year old table, this has acquired a gorgeous patina. Width – 36 inches , 92 cm Depth – 25 inches , 63 cm Height – 29 inches , 74 cm
