Description

A wonderful George III period inlaid mahogany side table. This was made in England, it dates from around 1790's. It is beautifully made and is a useful size, sitting on elegant tapered legs. The reeded octagonal top has a drawer in the front and is nicely finished on all sides, so can be used as a free standing item. There is inlaid satin wood banding on the top and sides, the mahogany has acquired an absolutely gorgeous patina. We have had this recently re-polished, the condition is very good for its age with no damage to be seen. There are various small marks and signs of historical wear beneath the polish, commensurate for age. Width – 21 inches , 54 cm Depth – 15 inches , 39 cm Height – 29 inches , 74 cm
