Description

Victorian mahogany pedestal desk This Victorian mahogany pedestal desk was made circa 1860. It is the high-end quality of manufacture and would have graced the study of a wealthy professional's home. Original antique desks are made in 3 parts, this makes it easy to transport to and around your home. Having a wide drawer above the good wide kneehole, and a furth smaller drawer to each side of it. Each pedestal have a further 3 graduated drawers, all the drawers with brass turned knob handle pulls. These allow simple and easy access to the drawers. Made of fine mahogany, this desk is the best size for domestic use, especially if you require a large desk. It gives you a great work surface and plenty of drawer space, as you will see in the images the length of the drawers, these give great capacity. Imagine the pride you will having ownership of this magnificent example, and the number of envious glances it will gain. Not only is it a wonderful looking desk it also provides a great workstation. 137cms wide 54ins 91cms deep 32ins 76cms high 30ins 62cms height floor to underside 24 1/4ins 50cms width between pedestals 20ins All Measurements are as accurate as possible.
