Description

An attractive and neat antique oak gateleg table. The antique oak gate leg table has a rectangular shaped top with two drop leaves to either side, that when extended creates a larger oval shaped surface top. The drop leaves are supported by the two gate legs. The base consists of six square and turned legs with straight stretcher supports. A charming example with good colour and patina throughout. Item Ref; M-4489 . DIMENSIONS: Height - 73.5cm / Width - 106.5cm / Depth - 44.5cm / Extended - 136cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks, scratches and stains to the top (pictured), further marks to the base. There are minor losses to the drop leaf (pictured), however this doesn't affect the overall integrity of the table. The antique oak gateleg table remains structurally solid and sound. Overall, a good example of its kind. Our carpenter inspects, repairs, and restores our items, so you can have full confidence that what you buy from us is ready for your home! We ask that you take the time to look at all the photos as they form part of the description and condition report ...
