Description

A gorgeous pair of antique French solid bronze pitchers. They were made in France, and date from around the 1890-1900 period. They are of stunning quality, and are purely decorative as there is no opening at the top to store anything inside. They could possibly be converted to lamps, however they are beautiful decorative items as they are. The condition is excellent for their age, with only some minor surface wear and a wonderful patina. Width – 5 inches , 13 cm Depth – 4 inches , 10 cm Height – 16 inches , 41 cm
