Item Reference: SA958064

Date of manufacture: 19th Century

Description

Antique French Bronze Cased Mantel Clock With Cherub By BELLENOT PARIS. This lovely antique mantel clock has a bronze case with a fantastic rich colour and finish. The top of the case is then adorned with a cherub cast in fantastic detail. The main body of the case is then in the form of a reeded column and has beautifully cast floral decorations as well as a bow above the dial. The base then has a wreath style edging to the base followed by a further patterned section. Finally the clock case is finished by three beautifully shaped bronze feet. The dial is then enamel and set out in black Roman numerals as well as every five minutes being set out in black Arabic numerals. The dial then has a lovely gilt surround as well as being signed to the centre by the maker "BELLENOT Bart des capucines PARIS". The dial is then finished by two beautifully shaped hands and a bevelled, domed glass set into a bronze bezel. The movement is then wound from the front and accessed from the back. It ticks away and works as it should and comes complete with its pendulum and winding key. The clock also strikes the number of hours on the hour and once on the half past via a bell. It mea...
