Description

This Oak Revolving Office Desk Chair can be adjusted for height to allow for the most comfortable working position. With an option to recline helping to ensure comfort whilst you are being productive or indeed needing some time for contemplation. The substantial base sits on castors for ease of movement whilst being of a good weight to aid stability. The generous back rail and arms give the chair a good chunky feel. The oak has mellowed to a gorgeous light warm hue, while wearing its signs of use with pride.
