Description

A stunning antique Swedish Biedermeier period occasional table in satin birch. This was made in Sweden and dates from around 1840-1860. It is of amazing quality, the top has a segmented starburst veneer pattern. This sits on a baluster support with ebony trims, which sits on a platform base. This in turn sits on carved giltwood hairy paw feet. We have had this recently re-polished, the condition is excellent for its age.
