Description

An impressive and extremely well made antique coffee table in mahogany. This is in the Regency style, it dates from the 1920-30's. The quality is fantastic and this is a very useful size. There is a central drawer and an open lower tier on either side of the drawer. This sits on beautifully turned and stretchered legs, with splayed feet that have brass hairy paw casters and brass lions head rings on either end. The flame mahogany top has beautiful grain patterns and a cross banded edge. We have had this recently re-polished, the condition is excellent for its age. There is some minor wear remaining beneath the polish, overall this has a gorgeous patina. Width – 42 inches , 106 cm Depth – 19 inches , 47 cm Height – 21 inches , 54 cm
