A rare watercolour of Windsor Castle forming a cover to a Christmas card by renowned Manx artist, John Hobson Nicholson. A very interesting and well executed painting, rare to be found on a Christmas card with personal dedication to Joan. The watercolour could be mounted and framed or displayed and enjoyed as is. The watercolour remains in excellent condition with only slight discolouration to the bottom right hand edge of the card. John Hobson Nicholson (1911 - 1988) was a well established and successful self taught Manx born artist. He produced works in watercolour, oil and pastel.
