## Description

A fantastic original antique Regency period side table in mahogany. This was made in England, it dates from around 1800-1820. It has quite an unusual design and is of amazing quality. The ormolu mounts are beautifully cast, with incredibly fine details. The top has a raised gallery edge and is finished on all sides, so this can be used as a free standing item. There is a single drawer at the front and this comes with a key. We have had this re-polished, it is in good overall condition with plenty of character and a gorgeous patina. There are various small marks here and there remaining beneath the polish, commensurate for age. Width – 20 inches , 50 cm Depth – 16 inches , 41 cm Height – 29 inches , 74 cm
