Description

A VERY DESIRABLE OIL PAINTING OF LOCH NESS Showing a fabulous panoramic view,depicting a stunning sunset & waterside image of Urquhart Castle ruins on the banks of Loch Ness Scotland. The ruin of Urquhart highland castle is well featured,with sailing vessels in the distance,moving across the calm evening motionless bay. The immediate rocky outcrop is very well painted with an illuministic finish,the sunset being captured in relief behind the finely painted trees. In all, an extremely well executed oil painting,that has all the qualities and attributes such as the castle on the foreshore,sailing ships and an early evening silhouette of a beautiful sunset. Signed by the artist " Becker "distinctively in the lower left hand corner. I love this painting immensely,but as usual,business is business and this has to be offered for sale,and will give someone else great pleasure.
