Description

Superb quality Cuban mahogany Victorian stool form bidet of the type often used as a baby's bath. The removable box form top reveals a fitted white ceramic bowl to the interior, which is also removable for cleansing. Standing on four turned & hexagonal column legs, which are solid & stable, this item is in good condition as shown. Dating from the period before house's had the benefit of running water this item in it's time would have graced a bathroom or bedroom of a fine home. The white ceramic bowl measures 45cm internally.
