Description

An attractive and well-presented small Victorian antique oak table. The antique oak table has a circular shaped three plank top, which is raised on a turned pedestal with a tripod base. A rather pleasing antique table, with lovely colour and grain throughout. Item Ref; M-4485 . DIMENSIONS: Height – 72cm / Width – 73cm / Depth – 70.5cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks, scratches and shrinkage to the top (pictured). There are also age-related marks, scratches, fading and splits to the base (pictured). There is evidence of historic woodworm to the base, however this is now long gone and has been fully treated as a precaution. The antique oak table remains structurally solid and sound. Overall, a neat example. Our carpenter inspects, repairs, and restores our items, so you can have full confidence that what you buy from us is ready for your home! We ask that you take the time to look at all the photos as they form part of the description and condition report of the item. .
