Description

This is an absolutely fabulous early 20th century English country house sofa. It has a wonderful carved frame with cabriole legs on the front and back as well as an elegantly detailed back rail. The sofa is a lovely size making it perfect for 3-4 people and ideal for everyday use. The upholstery is recent, not by us but clean and well done. It is upholstered in a printed silk type fabric with dark background, pale pink and blue flowers and pheasants. Overall this piece is stunning quality and condition. Able to go straight into a home as is. But of course should you want us to reupholster then we can.
