

SA95888

Antique Wall Clock by Bryson & Son - Dalkeith

Price

Sold**Item Reference: SA95888****Date of manufacture: 1880**

Description

A high quality late 19th century mahogany drop dial wall clock. The 8 day duration fusee movement with anchor escapement. The 12" round white dial with Roman numerals and blued steel hands. The mahogany case of good light colour with original carved ears and access doors to the bottom and side of the case. The brass bordered and glazed panel to the front for pendulum viewing. The main glazed door with flat bevelled glass and cast brass bezel with lock to the side. Note: The Bryson family were prolific makers of longcase clocks, watches and indeed wall clocks. They are noted for making high quality Regulators.
