Description

This is a very elegant and well made 19th century English country house armchair with beautiful shape side rails. The depth of seat makes this a great lounging chair. The carved feet are an unusual detail that gives this chair a real quality. Buttoned details to the inside arm is also a nice touch (Although these can be removed if you prefer) Height 77cm Width 80cm Depth 100cm Depth of seat 64cm Height of seat 44cm (On my website) If you would like this armchair upholstered please click yes in the upholstery drop down menu. This would require 7 metres of material. You can supply your own or please browse our collections under the material section. All my antique armchairs have been fully restored, springs, legs, padding etc so these will stand the test of time even if used everyday. Price includes UK mainland delivery
