Description

A beautiful hand made Indian solid silver card case. It is unmarked but tests as high grade silver. I would date it to c1890. It has been beautifully designed depicting wild animals and birds, the cartouche has been engraved with the initials MH or HM. It is in superb condition being free from dings splits holes and repairs. It measures approx. 3.5 inches (9.2cm) long by over 2.25 inches (6cm) wide and weighs 92 grams. A well made high quality piece.
