Description

Original Antique Victorian Brass Moulded Fireplace Fender. Please note; listing is for the fireplace fender only, other items are not included but may be available separately. An Antique Victorian Brass Fireplace Fender. We bring to you this rare excellent condition fine quality elegant moulded Victorian fire place fender made from brass in around C1870. This fender features elegant deep mouldings with lovely shaped corner brackets complete with patina. This lovely original fire fender is ideal for any period property with an open fireplace or for purely display or decoration. We have sympathetically restored this item by carefully cleaning and polishing it to bring out the natural brass shine. Please note; This item is in very good condition for its age but will obviously have dents and imperfections here and there due to the age of the item. However, we feel that this adds to the charm and authenticity of the item with it being antique.
