Description

Antique Victorian Coal Helmet Bucket. A lovely original coal bucket, ideal for open fires. We bring to you this excellent condition antique Victorian (circa 1880's) helmet shaped coal bucket ideal for any period property. This beautiful hammer finished coal bucket features a large pivoting carry handle with shaped hinges either side and a smaller carry handle to the rear. This helmet bucket is ideal for neat mess-free storage of coal or kindling. The bucket looks amazing with its beautiful highly polished brass finish perfect for any period home or even as a stand out piece in a contemporary theme. We have restored this item by carefully cleaning and highly polishing to bring out the natural brass colour and shine. Please note: This item is in very good condition for its age but will have the odd blemish here and there, as expected with an item of this age. However, we feel that these points are which adds to the charm of the item with it being an antique.. Also note; Items placed on or around this item are not included in the sale. Dimensions Overall Height not including handle: 335mm Height with handle up: 470mm Width: 300mm Length: 410mm Price includes free U...
