Description

A lovely oak tilt-top table dating from the late 18th / early 19th Century. It is a good size with a circular planked top set on a turned baluster support with tripod splayed legs. It is in good condition for its age and has a lovely patina. There are signs of age and use, a few minor marks and knocks and the tip of one leg has been repaired (see photo) but it is strong and sturdy. There are some minor signs of historic worm which has all been treated as a precaution and hasn't affected the piece structurally or aesthetically. It has been gently cleaned and polished and is ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Nationwide delivery available through our network of reliable couriers. Please get in touch for an accurate quote to your location.
