Description

A good example of a set of antique silver grape scissors. They are superb quality and decorated in traditional 'King's Pattern' with shells on the handles. They measure approximately 7" (18cm) long and are 2" (5cm) wide across the handles. They are clearly hallmarked for Sheffield, 1933 and the makers Harrison Brothers. They weigh approximately 113g. They are in excellent condition for their age. There are no major damages and they display beautifully. There are some faint surface marks but nothing detrimental. They have been gently cleaned and polished and are ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Tracked UK delivery £6, rest of the world £20.
