Description

A fine example of a beautiful burr walnut box with silver and mother of pearl inlaid detail dating from the mid 19th Century. Most likely to have once been a tea caddy or trinket box it has now been relined with a beautiful fitted tray with blue silk lining and marbled paper. The tray lifts out to reveal an additional lined storage area below. It has a mirror under the lid and it comes with a working key. It is in good condition for its age and has been very well made and well looked after. There are some minor signs of age and use, a few minor pieces of inlay missing but nothing detrimental and overall the piece displays beautifully. It has been cleaned and polished and is ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Tracked UK delivery £10.
