## Description

An absolutely gorgeous antique Victorian credenza in burr walnut of very rare small proportions. This was made in England, it dates from the 1860-1880's. This is of the utmost quality, with stunning burr walnut grain patterns throughout and extremely fine quality ormolu mounts. This is a very useful size with lots of storage space, it doesn't jut out too much so isn't very imposing. We have had this recently re-polished and the interior has also been completely relined with new fabric. The condition is superb for its age, with only some extremely minor historical wear here and there beneath the polish. Width – 47 inches , 120 cm Depth – 14 inches , 36 cm Height – 40 inches , 100 cm
