Description

A stunning pair of original Swedish Art Deco period armchairs in satin birch. They were recently imported from Sweden, they date from the 1920-30's. They have a gorgeous design, and the quality is outstanding. The satin birch frames have beautiful grain patterns and lovely carving at the bases. They are very well sprung and comfortable, the whole build is very sturdy. We have had the frames stripped and re-polished to a very high standard, and they have been re-upholstered in a cream cotton fabric. The condition is excellent for their age.
