Price

Sold**Item Reference: SA959984****Date of manufacture: 19th Century**

Description

A very beautiful and large giltwood wall mirror with superb carved and gesso frame with raised trellis pattern flanked by beaded borders. The imposing crest of crossed flaming torches entwined with scrolling ribbons and interspersed with open flower heads in the Regency manner and with a striking laurel leaf ribbon below. . The plate is about half an inch thick, original and in excellent condition with a clear and deep reflection and soft grey hue to the glass typical of an antique hand made plate c. 1840 . Extremely heavy, with later brass brackets attached verso for wall fixing and a strong copper picture wire across the upper back. . In excellent original condition, a very striking and impressive mirror. . . Dimensions are: . 43.25 inches wide by 42.5 inches high. . For metric please multiply by 2.5
