Description

Size: 5ft 5in x 3ft 4in (165 x 102cm). Antique Caucasian Dagestan rug with 'blossom' design on a dark charcoal ground. Circa 1880. A very good example of type with very nicely drawn all over multi coloured blossom design, on a dark charcoal ground. The rug has a classic border design which frames the rug well, note the inner and outer guards with the 'S' design. The rug has slight even wear and good pile, the charcoal ground is partially corroded giving the rug a slightly sculpted look. The rug has excellent wool and is very soft to the touch with a floppy handle. Hand washed and ready for use or display, the rug is suitable for light domestic use. A very good and scarce example of type. Stock Number: H-483.
