Description

Super quality 19th century marble top dressing table by the makers Edwards & Roberts (stamp on the central drawer edge), beautifully blind fret carved and with three drawers. It stands very well, beautifully proportioned to give a sensible surface area and drawer space, but without feeling like a large piece of furniture. The blind fret carving throughout is very crisp and the dovetails are also as you would expect from such a quality maker. Standing on the shaped legs with a slight hoof to the base, this is a beautiful piece of furniture and very decorative from all sides. The marble top with the 3/4 gallery lifts off for moving, so if you would prefer a white Carrara marble or mahogany top for example, please do get in touch...although the marble is in good condition and the charcoal grain and colouring work well with the mahogany. Any queries, don't hesitate to get in touch. Measuring: 30 inches or 76 cm surface height 35 1/2 inches or 90 cm marble gallery height 36 1/4 inches or 92 cm maximum width 2 1/4 inches or 51.5 cm deep 24 1/2 inches or 62 cm kneehole height
