Description

A Westminister-Chime bracket clock in lovely original condition. The "Moustache" topped oak case is beautifully polished and contrasts delightfully with the arched silvered dial. It terminates on a shaped plinth with an "egg & dart" detail surround. The 8 day movement strikes the Westminister-chime on all 4 quarters plus the number of hours on the hour. It has just been serviced by our BHI registered staff and carries our usual 12mths full parts and labour guarantee. The arched, silvered dial has Arabic numerals with subsidiary rise & fall dial and "STRIKE/SILENT" dial. It has a brass, glazed opening door. Please note that this clock is slightly lighter in colour than our photos show. A very solid and attractive clock offered at a very sensible price. All cards accepted.
