

SA960593

289 x 390cm Antique Serapi Carpet

Price

Sold

Item Reference: SA960593

Date of manufacture: 1890

Dimensions

Height = 390 cm (153.5")

Width = 289 cm (113.8")

Description

The broad expanses of light blue in the relatively uncluttered corners are wonderfully 'abrashed' with dozens of subtly different shades. This creates the illusion of depth and greatly adds to the charm of this beautiful antique carpet. In excellent condition with minor repairs, this visually arresting 19th century Heriz district rug is one of the most desirable of its type. 9'6" x 12'9"
