Description

A comfortable and attractive Victorian antique fabric upholstered tub chair. The antique tub chair has a light green fabric upholstery throughout, with a shaped button backrest. The Victorian upholstered tub chair is raised on carved wooden legs with castors. A beautiful antique chair, full of character and charm. Item Ref; M-1767 . DIMENSIONS: Height - 84cm / Width - 70cm / Depth - 79cm / Seat Height - 34cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related stains to the fabric upholstery on the seat, arms and backrest (pictured), further marks and scratches to the wooden legs (pictured). There is evidence of historic woodworm to the leg, however this is now long gone and has been fully treated as a precaution. The antique upholstered tub chair remains structurally solid and sound, with the castors running well. Overall, a well presented example. Our carpenter inspects, repairs, and restores our items, so you can have full confidence that what you buy from us is ready for your home! We ask that you take the time to look at all the photos as they form part of the description and condition ...
